Mary Lee and Bob Hermann

Alzheimer's Community Service Awardees 2010

Bob and Mary Lee Hermann's accomplishments are well-celebrated and honored in our community. Memory Care Home Solutions is the fortunate recipient of their time, mentoring, financial support, compassion and dedication to the cause of those caring for loved ones with memory loss, dementia or Alzheimer's disease.

Today, Mary Lee and Bob remain active in business and civic efforts. Between them they have served every significant philanthropic effort in St. Louis.

Mary Lee serves on the board of The Muny, the Missouri Botanical Garden, the St. Louis Science Center, the Missouri Historical Museum and the Museum of the Dog. Since Mary Lee moved to St. Louis 30 years ago, she has chaired over 25 fundraising galas, including the History Museum Ball with Count Basie, the Art Festival Gala with Douglas Fairbanks, Jr., The Muny Fundraiser with John Garvin, and the Science Center Big Bang with Peter Duchin. She was chosen Woman of the Year in 1996.

Bob still serves on the board of the Missouri Botanical Garden, The Muny, the St. Louis Zoo, and the International Center for Tropical Ecology. He was the founder of the VP Fair, the originator of the St. Louis Zoo Foundation, and initiated the Annual World Ecology Award. He is Chairman of the Hermann Family Foundation which supports a variety of St. Louis institutions. Bob is the only person who has been the recipient of all three awards as the Man of the Year, the Citizen of the Year, and the St. Louis Award.

Between them, Mary Lee and Bob have six children, fourteen grandchildren, and three great-grandchildren, and they enjoy a close relationship with all of them.
